

NOTICE OF POWER OUTAGE

Please note that on Wednesday, September 19th Florida Power & Light (F.P.L.) has informed us that they will be turning off the electricity to this building from MIDNIGHT until Thursday morning to enable them to replace some of their equipment. They informed us that it should take approximately 6 hours.

There will be NO POWER to anything for those few hours. You will not have any lights, ceiling fans or air conditioning. You will not be able to charge any electronic equipment (cell phones, tablets, laptops) nor will you have a functioning alarm clock. Your refrigerator and food will remain cold for up to 12 hours (if the doors are kept closed).

NOTE : The elevators will not be working during the outage. If you leave the building and return after midnight, you will have to take the stairs up to your floor.

We will be supplying you with two small flashlights and a glow stick, to enable you to travel around the unit in the dark.

During this time there will be staff at the front desk. In case of an emergency dial 911 from your cell phone. If there is a non-emergency please call the Resort Enforcement Dept. at 321-750-3809.

MEDICAL ALERT

If you have any medical equipment that you use at night (cpap, oxygen concentrators), please inform us immediately upon check-in so that we may make alternative arrangements for you during the outage.

If you have any questions or concerns please do not hesitate to ask.
